GASQ

✓ **Desktop or laptop with a webcam and microphone**

To take exam, you will need a computer as the chrome's plug-in required to share your screen is only compatible with a laptop or a desktop.
Your laptop or desktop must be equipped with a webcam and a microphone.

✓ **Google Chrome browser needs to be installed**

No installation of unnecessary software in your computer, but we are asking you to use Google Chrome so you can run the screen sharing extension on the most updated version. Please make sure that you have the administrator rights in order to add the extension to your browser.

✓ **Photo ID**

Before starting the exam, you need to identify yourself with your student card, passport, ID card, or a driver's license that has your name and photo on it. You can cover the private information such as student number.

✓ **Stable internet connection**

In order to run the exam without any problems, you need to have a stable and steady internet connection with a minimum upload speed of 1MB/sec.
